Mrs. Milner re-elected Woman's Club prexy

Mrs. William Milner has been installed for her second term as president of the Woman's Club of Arcadia, Verdugo District, California Federation of Women's Clubs (CFWC).

The Finder

She can find cheer
On a cheerless day,
She can see gold
Where others see gray.

She can make a friend
Of an unfriendly one;
She can feel hope
When others feel none.

She points out beauty
In ugliness—
She turns misfortune
Around to bless.

What is her secret
That grows and grows?
One finds whatever
One seeks, she knows.

HEALTH HELP — Marilyn Daleo and Jan Tinnin of the Arcadia Junior Woman's Club talk with Buck Norlin, director of Help Our Youth (HOY) Free Clinic. Through many fund raising projects this club year, the club was able to give the clinic an $800 donation. HOY offers medical and counseling services to anyone in the community. It is located at 100 N. First Ave., Arcadia. Trained volunteers include physicians, nurses, lab technologists, and counselors. Other volunteers do clerical work at the clinic which is supported only by contributions from groups and individuals. All services are confidential.

Juniors help youth with HOY donation

Members of the Arcadia Junior Woman's Club surprised Buck Norlan, director, with a contribution of $800 to the Arcadia office of HOY (Help Our Youth), at 100 N. First Ave. recently. The club was able to make the donation after a year of successful fund raising events.

Trained volunteers at HOY which includes physicians, nurses, lab technologists and professional counselors, along with the Arcadia Juniors, are concerned about the problems young people are confronted with.

Pregnancy tests and treatment for venereal diseases is available to anyone between the ages of 12 to 23 and HOY assures confidentiality.

Counselors help youth by finding meaningful alternatives to problems concerning drug abuse, self understanding and crisis intervention. Counseling is also provided to parents, families and groups.

Medical aid and counseling is given to patients for whatever they can afford to donate. No one is ever refused help because of inability to pay. The organization is non-profit and supported by private and group monetary donations.

Arcadia Juniors wish to increase its membership to have the ability to expand its community projects. The club is extending an invitation to women from 18 to 35 interested in volunteering to benefit others and filling the needs of the community.

The Juniors support the Arcadia school district, library, and fire department. The Diabetes Bike-A-Thon and Diabetes Campership as well as HOY are just three of many philanthropies in which monetary donations and active participation is given.

Persons wishing to join may call Mrs. Marilyn Daleo, membership chairman, 445-3448.

The club was formed in 1957, under the auspices of the Woman's Club of Arcadia, when there was a need for greater participation by young women.

What Is America

WHAT IS AMERICA? What is the U. S. A.? Well, it is purple mountains and fruited plains—
But it's smokestacks and railroad ties, too,
It's air-coaches and ice-cream sodas,
It's Christmas stockings and plush hotels,
Production lines and skyrockets,
It's TV sets and antique shops,
Advertising signs and factory whistles.
You can put all that together—and add a million bags of fertilizer—a thousand jukeboxes—a hundred Diesel locomotives—
But the inventory isn't even started.
For America's also the country preacher's warm handclasp,
The quick comeback of the smart-looking stenographer,
It's the set jaw of the high school halfback,
The sharp eyes of the farmer.
It's the soft, quiet talk of a mother to her baby,
The close harmony at a wiener roast.
It's the crackle of ham and eggs frying,
The smell of gasoline exhausts and popcorn—
But America isn't just the sum substance of all things you see and hear and touch.
America is ideals—beliefs—feelings—
The opportunity to work your way through college,
To invent and sell a million new can openers,
To open a hot dog stand or farm your land.
It's the freedom to talk back to a cop or boo a politician,
To invest your money or hide it under the mattress,
To worship God in your own way,
To run your own life.
But, you have to look *ahead* to see America
For, most of all, America is a state of mind—a point of view—a love of moving on—
beyond the next hill—the next filling station—the next frontier—
Expanding—growing—living—beyond the horizon.
That's America! That's the U. S. A.!

The Arcadia Junior Woman's Club is sponsoring "Let Peace Ring Out" on July 4. According to the Juniors' Americanism chairman, Marilyn Daleo, they have asked churches in this area to ring their bells for two minutes at 2 p.m. tomorrow.

Mrs. Daleo said, "As our nation's 200th birthday approaches, it is time to reflect upon the heritage that has built this great country. The freedom that America has experienced over the past 199 years was not easily gained, nor has it been easily maintained. We would like to give the community the opportunity to take a moment to give thanks for our blessing of freedom."

Arcadians Involved In Chamber of Commerce

It was a group of women called the Cooperative Arcadians, later identified with the Arcadia Woman's Club, who in 1912 saw the need for a promotional organization within the city. In the next couple of years they undertook a number of good works, to the point where they put the men to shame.

In 1914 a call went out to a number of community leaders for the purpose of forming a civic promotional organization. Twenty-eight responded and out of their deliberations came the Arcadia Board of Trade, a forerunner of the Chamber of Commerce. Each charter member paid a $1 initiation fee and dues were $3 a year.

Today the Arcadia Chamber of Commerce boasts one of the largest memberships in California for a community of its size. It has grown to over 870 members and offers a broad range of services for both residents and businesses.

For instance, the highly successful City Hostess program headed by the charming Alyce Jones provides community information to new residents. As part of the same program, the businessmen of the community annually host a new residents' luncheon, as a means of cementing community relationships.

Among its regular workaday services are providing business referral information, distribution of free business directories, maps and community brochures, handling of consumer complaints, and providing advertising and promotional services for the city.

A lot of fun is mixed with work for Arcadia Chamber of Commerce members. For instance the chamber operates the Arcadia Tournament of Roses Association which puts Arcadia's float in the Rose Parade.

Arcadia's first entry in the parade was back in 1915 and the city has been an active participant each year since 1935.

While many cities pay for the cost of their entry in the parade, the Arcadia Tournament of Roses Association has annually raised funds through memberships and community events to pay for more than 50 per cent of the city's participation.

Community fun-raising events sponsored by the association include the coronation ball, morning workout breakfasts at Santa Anita Race Track, Derby Day, the past president's party, the wineshed mixer at the race track and a Las Vegas night.

Social mixers are held periodically either at the beautiful chamber building at 388 W. Huntington Drive or at the places of business of members. The quarterly breakfasts sponsored by the chamber feature outstanding speakers with topics of general interest and always draw a full house.

Dave Paradis, executive vice president of the Arcadia chamber, attributes at least part of its success and growth to the excellent relationship it enjoys with The Arcadia Tribune, a Foothill Inter-City Newspaper.

"The Tribune, over the years, has done a remarkable job in covering news regarding the business community and introducing the many new businesses that have moved to Arcadia," Paradis said.

Working with the chamber, The Tribune has established a policy of taking pictures of every new business coming to town. The pictures are often aimed at getting behind the scenes in an unusual business or showing employes at work.

LOOK AT THAT CAT — Mrs. Mike Daleo, and Mrs. John Lovrensky of the Arcadia Junior Women's Club and John Greenstreet, director of the Arcadia Recreation department view the mounted western mountain lion for which the juniors donated the money.

Club gives a lion to city

The Arcadia Junior Woman's Club donated $300 to the Recreation department for the purchase of a mounted western mountain lion which has been placed in the Nature Center at Wildenrness Park.

The cat, also know as a cougar or a puma, is considered the principle large cat on the North American continent.

However, they are seldom seen by man because many of them have been killed off by hunters and farmers and because they are nocturnal animals. They can still be found in parts of Florida, Louisiana, Texas, and in wild county west of Texas.

They are versatile animals who live in areas from sea level to the timbeline and have a hunting range of 13- to 140 per week. They are carniverous, feeding on deer and large rodents in the wild. Their life spans is about 20 years in captivity and considerably less in wild.

This particular cat was killed in Nevada by a hunter who didn't want it. The taxidermy was done by Leon Bessy of Monrovia.

For the flower of friendship dwells forever
In the shrine of the human heart.

Club Works To Serve Arcadia

"1975 — Community Improvement Project" developed by the Woman's Club of Arcadia resulted in the presentation to the Arcadia Public Library of a number of gifts.

In determining the needs of the library, Dick Miller, librarian, was consulted by Mrs. Harold Shepherd, community improvement chairman.

The solid walnut table located in the Reference Room, holding book displays and centered with a two-sided bulletin board, was one gift. Plants at the entrance, the large planter in back of the screen in the rotunda together with azaleas (now planted in the garden patio area) were others.

The Woman's Club of Arcadia has a history of participation in all community activities and a long-standing interest in the growth of the library. The group began the first lending library in the city in the early 1900s.

The outgrowth of that project resulted in a library system, formed in 1920, leading to today's million-dollar structure.

The community improvement project was developed as an outgrowth of the "Blow the Whistle on Crime" program, conducted by the club and also chairmaned by Mrs. Shepherd. Councilwoman Floretta Lauber presented the idea of the whistles to the group; the drive on crime was also backed by Arcadia Police Chief Charles Mitchell.

In a period of less than two months, 2,000 whistles were in the hands of members of the community, placed there by members of the Woman's Club. President of the group is Mrs. William Milner.

IN CLOSING — W. R. Hunt's "A NEW YEAR'S PRAYER", expresses my feelings as 1976 begins.

"Dear Lord, please give me . . .
A few friends who understand me and yet remain my friends;
A work to do which has real value, without which the world would feel the poorer . . .
A mind unafraid to travel, even though the trail be not blazed;
An understanding heart . . .
A sense of humor.
Time for quiet, silent meditation.
A feeling of the presence of God.
And the patience to wait for the coming of these things, with the wisdom to know them when they come."

ARCADIA NAMES WOMAN MAYOR

The Valley now has three woman mayors with the election of Mrs. Floretta Lauber in Arcadia.

Mrs. Robert Trujillo of Rosemead and Mrs. Elaine Donaldson of Covina were named mayors of their cities last month.

Mrs. Lauber, the first woman to serve on the Arcadia City Council, became the city's first woman mayor at the council's reorganization meeting Tuesday night. Jack Saelid was elected mayor pro tem.

In Temple City, Everett Greenberg was elected mayor and Louis Merritt mayor pro tem by fellow council members Tuesday night.

Mrs. Lauber and Greenberg will serve one-year terms.

New Councilmen David E. Parry and Robert Margett were seated in Arcadia and Councilmen William Dennis and Jack Tyrell, reelected April 13, were sworn in in Temple City.

Greenberg is the newest council member in Temple City. He was appointed in 1973 and elected to a four-year term in 1974. Merritt, who has twice been mayor, has served as a councilman since the city was incorporated in 1960.

Mrs. Lauber and Saelid have just completed the second year of four-year terms won at the polls in 1974.

Mrs. Lauber also was the first woman appointed to both the city's Personnel Board and Planning Commission.

Floretta Lauber Named Mayor For Year Term

Bob Margett, in his first official act as a member of the Arcadia City Council, Tuesday night nominated Floretta Lauber as mayor. The nomination was seconded by Jack Saelid, who asked that a unanimous ballot be cast.

Mrs. Lauber, beginning her third year as a council member, is the first woman ever to be elected to the Arcadia City Council and consequently the first to serve the city as mayor.

Prior to her election she was a member of the Planning Commission for eight years.

In accepting her new office, Mrs. Lauber said support from the community was the most important ingredient in maintaining good local government and she called for "esprit de corps" among the council members.

Jack Saelid was nominated by the outgoing mayor, Charles Gilb, to be mayor pro tem.

The election followed certification of election results and the administration of the oath of office to the city clerk, Christine Van Maanen, and the new council members.

THE STAR-SPANGLED BANNER

O say, can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watch'd, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
O say, does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?

O' thus be it ever when free men shall stand
Between their lov'd homes and the war's desolation!
Blest with vict'ry and peace, may the heav'n-rescued land
Praise the Power that hath made and preserved us a nation!
Then conquer we must, when our cause it is just,
And this be our motto: "In God is our trust."
And the Star-Spangled Banner in triumph shall wave
O'er the land of the free and the home of the brave.

PLEDGE OF ALLEGIANCE

Proceeds were used in making donations to Pennies for Art; Pines; and Poppies; Save the Redwoods; California History, Landmarks, Museums; City of Hope, Leukemic Children; Guatemala Relief; and Union Rescue Mission for Easter dinners; with remaining monies being given to the Club to be used in the purchase of new card tables. The traditional Christmas Party was held the third Wednesday in December.

The Junior Membership was honored in January. Club rentals are handled by the Juniors. President Mrs. Robert Knight attended all of the regular meetings of the Club. The monetary gift from the Juniors is to be used in painting the Solarium. Much was accomplished by this small but energetic group of young women.

Reciprocity Day was held in February and was well attended. Another February highlight was "Meet The Authors" luncheon, with Mrs. Carlton Eckermann, chairman, aided by Literature Division, Mrs. William Johnson, chairman. Program guests featured were Burt Prelutsky, Los Angeles Times columnist, Calendar section; and authors Mrs. Sandra Chandler and Mrs. Eva Bunting. Proceeds from this function were used in the purchase of "In Memoriam" books and a Braille subscription. Remaining monies were given to the Club to be used in the refinishing of the Auditorium floor, which work was done in April.

Ways and Means "Bridgefest" was a popular innovation with a bake sale held on the November Bridgefest day; a Silent Auction was held on the January Bridgefest day. A rummage sale was held in February. Many unsold, but very serviceable, articles of wearing apparel were given to the Salvation Army and a nearby church. Tray favors and fans were made by Crafts and Sewing for convalescent homes in the area. Arcadia High School students were sponsored in the Verdugo District Fine Arts Festival in February: in music, a soloist and a violinist; the art student's entry won a second award; and in public speaking, the student was a runner-up and a recipient of a monetary award. A Christmas tree skirt made in Crafts and Sewing was a blue ribbon winner - a first.

The St. Patrick's Day Fashion Show was presented by the Broadway of Fashion Square. Opportunities were sold on a money tree. At the Verdugo District Convention in April, 22 awards were garnered! The Press Book, compiled by Mrs. Robert Lane, was a sweepstakes winner.

The Club was represented on the Arcadia American Revolution Bicentennial by Mrs. Harold Shepherd; and on the Arcadia Coordinating Council by Mrs. Frederick Kuhn. The personnel of the City of Arcadia were honored guests on Civic Day in May - Mrs. Harold Shepherd, chairman. The Club is especially proud of their member and past president, Mrs. Harry Lauber (Floretta), Mayor of the City of Arcadia, and the daughter of Mrs. Frederick Kuhn. A special surprise was the musical program presented by Arcadia High School students.

Donations were made to: Arcadia Parks & Recreation - 2 camperships; Arcadia Recreation Department, Halloween program; Arcadia American Revolution Bicentennial membership; Arcadia White Christmas; Arcadia Friends of Hear; Arcadia Library, installation books; Hathway House; HOY (Help Our Youth); Monrovia Training Class; Captain Jerry Broadwell (Children's Library Memorial Fund) - with an additional collection of $53 made by members in attendance; Verdugo District Birthday Council, Kidney Dialysis; California History, Landmarks, Museums; Art Scholarship; Indian Scholarship; Music Scholarship; Creative Writing; Public Speaking, Fashion Show Door Prize; Verdugo District - CFWC Spiritual Values, Frontera Chapel - and a personal donation was made by Spiritual Values Chairman, Mrs. Frederick Kuhn to this fund; Union Rescue Mission; Lion's Eye Foundation and City of Hope.

A commendable job by Mrs. B. Pierson Waite, membership chairman, and her committee, in bringing in a record of 24 new members - which well carried out the President's Theme:

"Friendship - The Golden Road to Growth"

President's Message

Nearing the "Home Stretch" of the Friendship Road....

Congratulations and best wishes for a wonderful year to President-Elect Mrs. B. Pierson Waite (Mary Kay) and to the new officers who will serve with her. Mary Kay and the Membership Committee richly deserve our praises for an outstanding job in bringing in all those new members!

Congratulations are in order too to the Arcadia Junior Woman's Club and their new President, Mrs. Gene Beley (Jill) and to the capable Executive Board who will serve with her. An elegant champagne brunch at the Huntington-Sheraton Hotel preceded the inspiring installation by Mrs. David Prior (Kay), a Past President of the Arcadia Juniors.

Congratulations to Mrs. Robert Knight (Janice), Immediate Past President of the Arcadia Junior Woman's Club, for an outstanding year of achievements. Janice's sweet and sunny personality has endeared her to our members and we enjoyed having her at all of our meetings this year.

It is a bit sad rounding into this final stretch drive, but I would like to thank you all for having given me these two opportunities and for the many happy memories to sustain me of the last two years of my tenure of office. My grateful thanks for the support and cooperation of the Board of Directors, the Chairmen, and to the members who have made so many pleasant memories for me.

In this Bicentennial year, an unforgettable time in history, with 24 new members, the Theme of "Friendship, the Golden Road to Growth" was well carried out!

There have been many fantastic programs given us in the past years. This Bicentennial year will bring to each of us a program we will long remember.

"AMERICA CARES...."
GFWC-CARE LATIN AMERICA PROGRAM, 1974/76

April , 1976

CONVENTION REPORT

ing a vehicle for the senior CARE/MEDICO officer who is helping to establish a medical service for thousands of settlers. Dr. Diane Trembly has the use of a vehicle on a infrequent schedule which means she must often travel by mule or on foot, a dangerous practice when dirt roads are deep in mud and there is a possibility of being bitten by poisonous snakes. The vehicle will enable the doctor to visit clinics a considerable distance from the hospital in Nueva Guinea and give her mobility to respond to emergencies.

In the meantime, CARE takes this opportunity to express deep gratitude for your continued friendship and support which makes so much of our work possible. In behalf of the thousands of Latin American villagers whose lives have taken on added meaning, a very sincere "Gracias."
